

# Monday 5/18

## First Grade Weekly Learning

### Reading

#### Learning Target

Comprehension: Readers ask themselves questions. Examples: I wonder why? Why is this important? What is this mostly about?

#### Materials Needed

Computer, paper, pencil

#### YouTube Video

[Asking Questions](#)

#### Task

Write and share a [question](#) that you have after listening to the story.

\*Practice your accuracy on [Lexia](#) for 10-15 minutes

### Writing

#### Learning Target

I can write a fiction story that has characters, a setting and an adventure

#### Materials Needed

Paper, pencil, crayons

#### YouTube Video

No Video Today

#### Task

Write for 20-30 minutes. You may start a new fiction story or continue the one you started last week.

### Math

#### Learning Target

I can find the difference of an unknown

#### Materials Needed

Pencil/pen, paper, computer or white board

#### YouTube Video

[Module 6, Lesson 1](#)

#### Task

Can do: [Problem Set 1](#)  
Must do and turn in: [Exit Ticket 1](#)

### Enrichment (Optional)

#### Learning Target

I can change my thoughts and that can change my feelings and actions

#### Materials Needed

Computer, crayons/markers and paper

#### YouTube Video

[Reframing: Thoughts, Feelings and Actions](#)

#### Task

Check out these [activities](#) you can do at home with your family.

### Shark Smiles

Learning something interesting with [Mystery Doug](#)

Read the [new poem](#) with an adult!

# Remember to read at least 20 minutes every day!

# Tuesday 5/19

## First Grade Weekly Learning

### Reading

#### Learning Target

Comprehension: Readers reread the ending and think, "How did the trouble get fixed?" OR "What did the character realize or learn?"

#### Materials Needed

Book(s)

#### YouTube Video

[Good Readers Think About the Story](#)

#### Task

[How did the character get out of trouble?](#)

Practice your accuracy on [Lexia](#) for 10-15 minutes

### Writing

#### Learning Target

I can write a fiction story that includes an adventure or problem my character gets into.

#### Materials Needed

Paper, pencil, crayons

#### YouTube Video

No Video Today

#### Task

Write for 20-30 minutes  
You may start a new fiction story or continue your story from yesterday.

### Math

#### Learning Target

I can solve for bigger or smaller unknowns by comparing

#### Materials Needed

Pencil/pen, paper, computer or white board

#### YouTube Video

[Module 6 Lesson 2](#)

#### Task

Can do:  
[Problem Set 2](#)  
Must do and turn in:  
[Exit Ticket 2](#)

### Enrichment (Optional)

Humans and animals both have wants and needs. A need is something required to survive and a want is something we would like to have but do not need.

#### **Let's make a prediction:**

Draw or write 4 things you think all animals need.

#### Materials Needed

Computer or other device, Paper, Pencil/Pen

#### Task

Draw or write about 4 things you think animals need. Share with an adult and then keep it in a safe place for Thursday's activity!

### Shark Smiles

Enjoy  
[Peanut Butter and Jellyfish](#)  
with Mrs. McCarry

Remember to read at least 20 minutes every day!

# Wednesday 5/20

## First Grade Weekly Learning

### Reading

**Learning Target**

I can read with accuracy and fluency

**Materials Needed**

Computer

**YouTube Video**

No Video Today

**Task**

Practice your accuracy on [Lexia](#) for 10-15 minutes

### Writing

**Learning Target**

I can write a fiction story that tells how my character gets out of trouble.

**Materials Needed**

Paper, pencil, crayons

**YouTube Video**  
[Getting Characters Out of Trouble](#)

**Task**

Write for 20-30 minutes. Be sure you tell how your character(s) get out of trouble

### Math

**Learning Target**

I can write 2 digit numbers to 100 in addition sentences with 10's and 1's

**Materials Needed**

Pencil/pen, paper, computer or white board

**YouTube Video**  
[Module 6 Lesson 4](#)

**Task**

Can do:  
[Problem Set 4](#)  
Must do and turn in:  
[Exit Ticket 4](#)

### Enrichment (Optional)

**Learning Target**

I notice situations when I need to use a strategy to calm down.  
I can use positive self-talk to calm down.

**Materials Needed**

Computer, adult, paper and pencil

**Video**  
[Self Talk for Calming Down](#)

**Task**

Think about a time when you had a big feeling and needed to calm down. Draw a picture of yourself. Now write or record what you could say to yourself to help you calm down.

### Shark Smiles

Do a [dance](#) with Ms. Frates

Practice your [poem](#) from Monday!

Remember to read at least 20 minutes every day!

# Thursday 5/21

## First Grade Weekly Learning

### Reading

**Learning Target**

I can read with accuracy and fluency

**Materials Needed**

Computer

**YouTube Video**

No Video Today

**Task**

Practice your accuracy on [Lexia](#) for 10-15 minutes

### Writing

**Learning Target**

I can choose special and fancy words to make my stories sparkle.

**Materials Needed**

Paper, pencil, crayons

**YouTube Video**  
[Using Sparkle Words](#)**Task**

Think of some sparkle words to add to your writing. Share the fancy words you are going try with an adult at home

### Math

**Learning Target**

I can change a number using 1 more, 1 less, 10 more or 10 less.

**Materials Needed**

Pencil/pen, paper, computer or white board

**YouTube Video**  
[Module 6 Lesson 5](#)**Task**

Can do:  
[Problem Set 5](#)  
Must do and turn in:  
[Exit Ticket 5](#)

### Enrichment (Optional)

Okay scientists, remember your paper from Tuesday? Take it out and get ready to learn! Today, we are going to watch a video about Animal needs and check if our predictions were correct!

**Materials Needed**

Computer or other device, Paper & pencil/pen, crayons (optional)

**YouTube Video**  
[Animal Basic Needs](#)**Task**

Change your drawing to match the video; cross out any needs that weren't in the video and add any needs that were in the video but you didn't have. Did you see any wants? If so, add those too!

### Shark Smiles

Enjoy  
[Can I Play Too?](#)  
with Mrs. Buder

Remember to read at least 20 minutes every day!

# Friday 5/22
